

Your Title Goes Here

Your Name Goes Here

1 Intellectual Merit

This is effectively an abstract.

2 Broader Impacts

This is how your research will make the world a better place.

[you should finish page 1 here]

3 Introduction

Tell us about the overall picture of what you are trying to do. Giving motivations and specific goals to be achieved in three years helps.

4 Another Section

You likely want a Sample section here, describing how you will use *Gaia* to get your list of stars to observe.

4.1 You Might Have a Subsection Here ...

blah blah blah

4.2 ... And Here

blah blah blah

5 Another Section

blah blah blah

5.1 You Might Have a Subsection Here ...

blah blah blah

5.2 ... And Here

blah blah blah

6 Another Section

etc. ... your final section could be Summary
