
APPLICATION FOR GEORGIA STATE UNIVERSITY SUMMER STUDENT PROGRAM IN ASTRONOMY

If you are an undergraduate interested in a possible position as a Research Assistant in the Astronomy Program at Georgia State University, please fill out the form below. **Return the form and a current resume** to Dr. Mike Crenshaw (room 710, One Park Place, Department of Physics and Astronomy, Georgia State University, Atlanta, GA 30302-4106) by March 31. If necessary, interviews will take place after the deadline. If you have questions, please feel free to call Dr. Crenshaw at 404-463-6020, or email crenshaw@chara.gsu.edu.

The start and end dates for the Summer Student Program are somewhat flexible, but will nominally cover the 12-week period from mid-May to mid-August. Initial pay will be \$8.00 per hour, up to 40 hours per week. Research interests of the department's eight astronomy faculty include nearby stars, stellar masses, interferometric techniques, active galactic nuclei, and black holes.
